1. INTRODUCTION

The *Access to Information Act* (R.S.C., 1985, c. A-1) came into effect on July 1, 1983. It grants Canadian citizens, permanent residents and people residing in Canada the right to examine information contained in federal government documents, except for the types of information subject to exemptions and exclusions. Section 72 of the *Access to Information Act* requires that the head of every government institution submit to Parliament an Annual Report on the administration of this Act within the institution during the financial year.

This Report is submitted in accordance with section 72 of the *Access to Information Act*. It provides an overview of the activities the Québec Port Authority has carried out pertaining to access to information during the period from April 1, 2019, to March 31, 2020.

The Québec Port Authority is a not-for-profit shared governance organization that was created on May 1, 1999, following the adoption of the *Canada Marine Act*.

The mission of the Québec Port Authority is to promote and develop maritime trade, to serve the economic interests of the Québec area and of Canada, and to ensure the Port of Québec's profitability in a way that respects both the community and the environment. The means associated with achieving this mandate are to effectively develop and manage the Québec Port Authority's assets, create industrial activity and commercial growth, innovate in the port and transportation sectors, and preserve port heritage.

2. ORGANIZATIONAL STRUCTURE

The Corporate Secretary and Director, Compliance and Legal Affairs acts as Access to Information and Privacy Coordinator for the Québec Port Authority and has the delegated powers to do so. (See the [Delegation of powers tool](#) enclosed in Appendix B.)

In accordance with established practices, all formal requests for access to information or to documents are sent directly to the above-mentioned person that ensures all requests are promptly processed in accordance with the provisions of the Act. To ensure an increased level of privacy, a separate file is created for each request.

In accordance with the description of every service agreement pursuant to article 96 of the Access to Information Act, Québec Port Authority did not provide any service under subsection (1) to another government institution during the period from April 1, 2019, to March 31, 2020.

3. DELEGATION ORDER

The Access to Information and Privacy Coordinator is Me Karine Hébert, Corporate Secretary and Director, Compliance and Legal Affairs. She is responsible for making decisions with respect to the enforcement of various provisions in the *Access to Information Act* and the *Privacy Act*. (See the Delegation enclosed in Appendix B.)

Whenever the processing time has exceeded the statutory time limit, an extension request is transferred and approved by the person who made the request. The other two (2) requests were deemed abandoned within sixty (60) days.

4.9. COVID-19 Measures

During the period between March 13, 2020 until March 31, 2020, Québec Port Authority did not receive any request under the Access to Information Act. With respect the operational impact of measures to curb the spread of COVID-19 on processing Privacy Access to Information requests, it has to be noted that as of March 13, 2020, the employees of the Administration are teleworking, it is important to note that since March 13, 2020, the employees of Quebec Port Authority are working remotely. Therefore, many records were kept in our office are were not accessible due to the situation with COVID-19.

5. TRAINING AND AWARENESS, AND CAPACITY BUILDING

The Québec Port Authority remains determined to train and retain staff who have specialized skills and could continue to provide the best possible service to both internal and external clients. In this respect, the Access to Information and Privacy Coordinator has a master’s degree in law and is a member of the Barreau du Québec.

It is important to note that, each new employee hired by the Québec Port Authority, attends a meeting with the Access to Information and Privacy Coordinator to receive information about the application of the *Access to Information Act* and the *Privacy Act*.

6. POLICIES, GUIDELINES, PROCEDURES AND INITIATIVES

Each year, the Access to Information and Privacy Secretariat submits to the Treasury Board of Canada Secretariat, for the purpose of publication in Info Source, updates about the Québec Port Authority's activities and information holdings.

In 2019–2020, the Québec Port Authority continued to revise the Info Source chapter in accordance with its activities.

6.1. Publicly accessible information and inquiry points

Info Source is a database that provides individuals and employees of the government with relevant information to access personal information about themselves held by government institutions. The purpose of Info Source is to assist individuals in accessing government information and exercising their rights under the *Access to Information Act* and the *Privacy Act*.

In December 2011, the Québec Port Authority began publishing completed requests for access to information on its website. This practice has been carried on until this reporting period. On March 17, 2015, the Québec Port Authority received an instruction to the effect that summaries of completed requests for access to information have to be published on Canada's Open Government portal (open.canada.ca). Unfortunately, we still have not received, until this reporting period, the information and necessary access to add these requests to the portal as requested by Info Source. Given these circumstances, the Québec Port Authority continues on publishing summaries directly on its website. The Québec Port Authority will also publish the 2019-2020 Annual Report on the *Access to Information Act*.

As set out in the *Access to Information Act*, government institutions such as the Québec Port Authority must respond to requests from individuals, public or private organizations and others for access to information. The list includes the request number in both official languages, the number of pages transmitted and an indication of whether the pages were transmitted in whole or in part. Moreover, requests pertaining to personal or proprietary information related to a third party are not included.

Moreover, if individuals wish to obtain a copy of the documents published in response to requests submitted on the Québec Port Authority's website, the entire procedure to follow as well as the contact information for the Access to Information and Privacy Coordinator can be found on the website.

6.2. *Policy development*

During the 2019–2020 reference period, the Québec Port Authority has maintained its policies and instructions on access to information and protection of personal information, in accordance with the Treasury Board of Canada Secretariat's requirements.

7. SUMMARY OF KEY ISSUES AND ACTIONS TAKEN ON COMPLAINTS OR AUDITS

The Québec Port Authority did not receive any complaints for the 2019–2020 reference period.

No applications for judicial review were filed with the Federal Court, and no appeals were filed with the Federal Court of Appeal.

8. MONITORING COMPLIANCE

The Corporate Secretariat, Legal Affairs and Compliance Department monitors the processing time of access to information requests. First, a file is opened for each request, and then, this request is added to a follow-up table. The progress of requests is tracked within this follow-up table. Regular emails are sent to every person that should be addressed to respond appropriately, within the prescribed deadline, to the received requests. The President and Chief Executive Officer is notified of each request received by the Access to Information and Privacy Coordinator.
