1. INTRODUCTION

The *Access to Information Act* (R.S.C., 1985, c. A-1) came into effect on July 1, 1983. It grants Canadian citizens, permanent residents and people residing in Canada the right to examine information contained in federal government documents, except for the types of information subject to exemptions and exclusions. Section 94 of the *Access to Information Act* requires that the head of every government institution submit to Parliament an Annual Report on the administration of this Act within the institution during the financial year.

This Report is submitted in accordance with section 94 of the *Access to Information Act*. It provides an overview of the activities the Québec Port Authority has carried out pertaining to access to information during the period from April 1, 2021, to March 31, 2022.

The Québec Port Authority (hereafter “the Administration”) is a not-for-profit shared governance organization that was created on May 1, 1999, following the adoption of the *Canada Marine Act*.

The mission of the Administration is to promote and develop maritime trade, to serve the economic interests of the Québec area and of Canada, and to ensure the Administration’s profitability in a way that respects both the community and the environment. The means associated with achieving this mandate are to effectively develop and manage the Administration’s assets, create industrial activity and commercial growth, innovate in the port and transportation sectors, and preserve port heritage.

2. ORGANIZATIONAL STRUCTURE

From April 1, 2021 to January 28, 2022, it is the Corporate Secretary and Director, Legal Affairs and Compliance who served as the *Access to Information and Privacy Act* coordinator for the Administration and held delegated authority for the Administration. (See Delegation of Authority attached as Appendix “B”). For the period from January 29, 2022 to March 31, 2022, it is the Corporate Secretary and Acting Director, Legal Affairs and Compliance who served as the *Access to Information and Privacy Act* Coordinator for the Administration and held delegated authority. (See Delegation of Authority attached as Appendix “B-1”).

According to established practices, all formal requests for access to information or documents are sent directly to the coordinator and he ensures that they are processed diligently in accordance with the provisions of the Act. To ensure an increased level of confidentiality, a separate file is created for each request.

With respect to the description of any service contract under section 96 of the *Access to Information Act*, the Authority has not provided any services related to access to information during this reporting period.

3. DELEGATION ORDER

For the period from April 1, 2021 to January 28, 2022, the coordinator of the *Access to Information Act and Privacy Act* was Mrs. Karine Hébert, Corporate Secretary and Director, Legal Affairs and Compliance, who was responsible for making decisions about the application of the various provisions of the *Access to Information Act and the Privacy Act*. (See Delegation of Authority attached as Appendix “B”.)

For the period January 29, 2022 to March 31, 2022, the coordinator of the *Access to Information Act and the Privacy Act* was Mr. Pascal Raby, Corporate Secretary and Acting Director, Legal Affairs and Compliance, who was responsible for making decisions about the application of the various provisions of the *Access to Information Act and the Privacy Act*. 4.1. Number of requests received

Between April 1, 2021, and March 31, 2022, the Administration received eight (8) formal requests, one (1) of which was abandoned. They come from the following sectors: public, organization, media and university and are represented as follows:

Source	Number	Percentage
Public	4	50%
Organization	1	12.5%
Media	2	25%
University	1	12.5%

Compared to the previous year, April 1, 2020 to March 31, 2021, the Administration had also processed eight (8) requests under the *Access to Information Act*. So there is no change for 2021-2022.

The chart below shows the number of requests received for the years 2021-2022, 2020-2021, 2019-2020, 2018–2019, 2017-2018 and 2016–2017.

4.2. Number of pages processed and disclosed

During the reference period, 420 pages were processed, and 299 pages were disclosed. Certain excerpts of text that were subject to disclosure exemptions under the Act and were, therefore, redacted.

For the previous period, April 1, 2020 to March 31, 2021, 2,167 pages had been processed and 1,793 pages had been transmitted. Some passages have also been redacted in accordance with the statutory exceptions to disclosure.

4.3. Exemptions and exclusions

The *Access to Information Act* provides for some exemptions and exclusions under which the Québec Port Authority can or must refuse to disclose certain information.

For 2021–2022, the Administration invoked the following exemptions:

- Sections 18(a), 18(b) and 18(d);
- Sections 20(1) a), 20(1)(b) and 20(1)(c).

4.4. Processing time

During the reporting period, seven (7) requests were completed within a maximum of thirty (30) days of which one (1) was discontinued and two (2) were completed within a maximum of sixty (60) days.

4.5. Extension of the time limit

No access request received for the period 2021-2022 was the subject of an extension of the transmission period.

4.8. Costs

The total estimated costs incurred by the Administration to enforce the *Access to Information Act* is evaluated to be \$5 000. These costs included, namely, processing requests, producing the Annual Report and Statistical Reports, updating Info Source, consulting professionals in the field as well as overtime.

4.9. Percentage of requests for which records were “all disclosed”, and percentage for which records were “disclosed in part

For the reporting period, the table below represents the percentage of requests for which the disposition of the documents was a total disclosure and the percentage for which the provision of the documents was a partial disclosure.

	%
Request with « Full communication »	66.67%
Request with « Partial communication »	11.11%

4.10. COVID-19 Measures

With respect the operational impact of measures to curb the spread of COVID-19 on processing requests with respect to *Access to Information Act*, it is important to note that since March 13, 2020, the employees of the Administration have been working remotely with limited access to physical files. The Administration had the capacity to receive access to information and personal information requests by mail and by email. However, ATIP Staff had limited on-site access for processing physical files (for example, reviewing paper records, scanning, processing incoming and outgoing mail).

5. TRAINING AND AWARENESS, AND CAPACITY BUILDING

The Administration remains determined to train and retain staff who have specialized skills and could continue to provide the best possible service to both internal and external clients. In this respect, the current Access to Information and Privacy Coordinator is also a member of the Quebec Bar.

It is important to note that as part of their onboarding, each new employee hired by the Administration, attends a meeting with the Access to Information and Privacy Coordinator to receive information about the application of the *Access to Information Act* and the *Privacy Act*.

6. POLICIES, GUIDELINES, PROCEDURES AND INITIATIVES

Each year, the Access to Information and Privacy Secretariat submits to the Treasury Board of Canada Secretariat, for the purpose of publication in Info Source, updates about the Administration's activities and information holdings.

In 2021–2022, the Québec Port Authority continued to revise the Info Source chapter in accordance with its activities.

6.1. Publicly accessible information and inquiry points

Info Source is a database that provides individuals and employees of the government with relevant information to access personal information about themselves held by government institutions. The purpose of Info Source is to assist individuals in accessing government information and exercising their rights under the *Access to Information Act* and the *Privacy Act*.

In December 2011, the Administration began publishing completed access to information requests on its website. This exercise continued for the reporting period. The Administration is in the process of publishing summaries of completed access to information requests in accordance with the Directive for Publication on the Open Government Portal of Canada (open.canada.ca). The Administration also continues to publish summaries directly on its website. The Administration will also publish the Annual Report of the *Access to Information Act* for the years 2021-2022.

As set out in the *Access to Information Act*, government institutions such as the Administration must respond to requests from individuals, public or private organizations and others for access to information. The list includes the request number in both official languages, the number of pages transmitted and an indication of whether the pages were transmitted in whole or in part. Moreover, requests pertaining to personal or proprietary information related to a third party are not included.

Moreover, if individuals wish to obtain a copy of the documents published in response to requests submitted on the Administration’s website, the entire procedure to follow as well as the contact information for the Access to Information and Privacy coordinator can be found on the website.

6.2. Policy development

During the 2021–2022 reference period, the Administration has maintained its policies and instructions on access to information and protection of personal information, in accordance with the Treasury Board of Canada Secretariat’s requirements.

7. SUMMARY OF KEY ISSUES AND ACTIONS TAKEN ON COMPLAINTS OR AUDITS

For this reporting period, no complaints were filed with the Information Commissioner.

For the 2021-2022 reporting period, the Administration received a request for submissions under paragraph 35(2)b) of the *Access to Information Act* and the file is now closed.

No applications for judicial review were filed with the Federal Court, and no appeals were filed with the Federal Court of Appeal.

8. MONITORING COMPLIANCE

The Corporate Secretariat, Legal Affairs and Compliance Department monitors the processing time of access to information requests. First, a file is opened for each request, and then, this request is added to a follow-up table. The progress of requests is tracked within this follow-up table. Regular emails are sent to every person that should be addressed to respond appropriately, within the prescribed deadline, to the received requests. The President and Chief Executive Officer is notified of each request received by the Access to Information and Privacy Coordinator.
